INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Management Of Boys & Girls Clubs of Lanier, Inc. Gainesville, Georgia

Opinion

We have audited the accompanying financial statements of Boys & Girls Clubs of Lanier, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022 and 2021, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Boys & Girls Clubs of Lanier, Inc. as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Boys & Girls Clubs of Lanier, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boys & Girls Clubs of Lanier, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boys &
 Girls Clubs of Lanier, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boys & Girls Clubs of Lanier, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 – NATURE OF THE ORGANIZATION AND OPERATIONS

The Boys & Girls Clubs of Lanier, Inc. (the "Organization"), was originally founded in 1954. The Boys & Girls Clubs of Lanier has been helping local kids and teens reach their full potential and become who they were meant to be since being founded. Early leaders saw the need for a fun and safe place for children and quickly began laying the foundations to meet that need. In the 68 years of operation, the Organization has grown from a single Boys Club to 24 sites of the Boys & Girls Clubs in Hall, Forsyth and Habersham Counties, successfully serving 4,665 children ages 5-18 daily. In addition, the Boys & Girls Clubs of Lanier, Inc., has recently been recognized as one of the top three Boys & Girls Clubs within the State of Georgia. The Organization operates as a community based, not-for-profit tax exempt 501(c)(3) organization.

The Organization serves children by fulfilling the mission: to inspire and enable all young people, especially those that need us most, to realize their full potential as productive, responsible and caring citizens. The Organization believes that every child, no matter how challenging their life circumstances may be, deserves a chance to be great. In addition, the Organization strives to provide a world class club experience that assures success is within reach of every young person who enters the doors, with all members on track to graduate from high school with a plan for the future, demonstrating good character and citizenship, and living a healthy lifestyle. The five key elements the Boys & Girls Clubs of Lanier, Inc., uses to accomplish this are:

A safe, positive environment: The Club is a safe haven where members feel physically and emotionally secure at all times;

Fun: The Club facility, staff and program offerings create a welcoming, positive environment that allows members to engage in play, enjoy their play time and be happy and eager to come to the club;

Supportive relationships: The club ensures that every young person feels connected to one or more adults and has friendships with peers;

Opportunities and expectations: Club staff and programs consistently communicate the expectation that every child has the potential to excel, be productive and succeed at the Club and in life;

Recognition: The Club takes every opportunity to recognize and validate club members' achievements and accomplishments.

The Boys and Girls Clubs of Lanier, Inc., are primarily funded by charitable donations, federal, state and local grants, and membership fees.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in conformity with principles generally accepted in the United States of America. The accrual basis of accounting accordingly reflects all significant receivables, payables and other liabilities. The significant accounting policies are described below to enhance the usefulness of the financial statements to the reader.

Financial Statement Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) ASC 958, *Financial Statements for Not-for-Profit Organizations*, as updated by Accounting Standards Update 2016-14, *Presentation of Financial Statements for Not-for-Profit Entities*. This standard requires classification of net assets as revenue, expenses, gains and losses based on the existence or absence of donor-imposed restrictions and without donor restrictions, be displayed in the statement of activities and changes in net assets. The accounting standards provide that if a governing body of an organization has the ability to remove a donor restriction, the contributions should be classified as net assets without donor restrictions.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONT'D)

Cash and Cash Equivalents

We consider cash and highly liquid financial instruments with original maturities of six months or less, which are neither held for non-restricted by donors for long-term purposes, to be cash and cash equivalents. Restricted cash consists of funds from donors or grants in separate accounts to be used for capital expenditures, improvements or to fund various programs of the Organization as specified by certain grants and contracts.

Contributions Receivable and Revenues

The Organization recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received.

Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Contributions that are due in more than one year are reflected as long-term contributions receivable and are recorded at the present value of their estimated future cash flows, using treasury yield interest rates applicable to the years in which the promises are received to discount the amounts. Those due in one year or less are reflected as short-term contributions receivable.

Membership dues and league fees are comprised of an exchange element based on the value of benefits provided, and a contribution element for the difference between the total dues paid and the exchange element. The Organization recognizes the exchange portion of membership dues over the membership period, and the contribution portion immediately. Generally, the membership dues are paid on either a month to month or week to week basis.

The Organization records special events revenue less the value of direct benefits to donors at the time the event takes place.

Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met.

The Organization receives grant revenue primarily from federal and state agencies as well as other local grantors. Grant revenue is recorded when awarded or available by meeting certain requirements, as stated in the terms of the grant contract. Recognition is determined on a grant by grant basis.

Donation of assets, property and equipment, are recorded as contributions at estimated fair market value at the date of donation. These donations are reported as increases in net assets without donor restrictions, unless donor-imposed restrictions apply. If donor-imposed restrictions apply, donated assets, property and equipment are reported as increases in net assets with donor restrictions. Donated assets are released from restriction on the statement of activities as net assets released from restriction, with either the passage of time or satisfaction of the donor-imposed conditions. There were no donations of property and equipment received during the fiscal years 2022 or 2021.

Donated services are recognized as contributions in accordance with ASC 958, *Financial Statements for Not-for-Profit Organizations,* if the services (1) increase or enhance long-lived assets, or (2) require specialized skills, are provided by individuals possessing those skills, and would otherwise be purchased by the Organization.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (CONT'D)

Investments

We record investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statement of financial position (all Level 1 measurements). Net investment return/(loss) is reported in the statement of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

Assets Held at a Community Foundation

The Organization adheres to generally accepted accounting principles that establish standards for transactions in which a community foundation accepts a contribution from a donor and agrees to transfer those assets, the return on investment of those assets, or both, to another entity that is specified by the donor. These standards specifically require that if a not-for-profit organization establishes a fund at a community foundation with its own funds and specifies itself as the beneficiary of that fund, the not-for profit organization must show the asset as an investment. In contrast, transfers from donors directly to the community foundation benefitting the organization are not reflected as assets of the Organization.

The Boys & Girls Clubs of Lanier have established a community foundation fund with their own funds and with itself as the beneficiary with a local Community Foundation, known as The Bert and Mary Emma Endowment Fund for the Boys & Girls Clubs of Lanier (board designated). The Organization has granted variance power to the Community Foundation. This power allows the board to request the return of funds. It also means that, should the Organization dissolve, the board of the Community Foundation would be responsible for placing the funds with a comparable not-for-profit entity.

Property and Equipment

Property and equipment are carried at cost, or if donated, at the approximate fair value at the date of donation. The general capitalization policy for the Organization is to capitalize assets with a useful life that is greater than three years and the cost at the date of acquisition is greater than \$2,000. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend the asset's life is expensed in the period incurred and therefore is not capitalized. Depreciation is computed using the straight-line method over the following estimated useful lives of the assets:

Buildings and Improvements	15 - 40	years
Equipment	3 - 40	years
Furniture and Fixtures	5 - 10	years
Vehicles	5 - 10	years

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantorimposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets with Donor Restrictions – Net assets subject to donor (or certain grantor) restrictions. Some donorimposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Advertising costs are expensed as incurred.

Functional Allocation of Expenses

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include certain salaries and related employee expenses for accounting and other certain staff, depreciation and some occupancy costs. These are allocated based on actual and some estimated time and effort to certain functions. Management and general expenses include expenses that are not directly identifiable to a specific program, fundraising, or development activity. Fundraising expenses are those expenses directly associated with an activity as well as some personnel and other direct costs to carry out the activities.

Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

Estimates

To prepare the financial statements in conformity with U.S. generally accepted accounting principles, the Organization is required to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimated. Significant estimates and assumptions include the depreciation of fixed assets, the allowance for uncollectible contributions receivable, discount for contributions receivable, and the fair market value of non-cash donations.

Income Taxes

The Boys & Girls Clubs of Lanier, Inc., is organized as a Georgia nonprofit corporation and has been recognized by the IRS as exempt from federal income taxes under IRC Section 501(a) as an organization described in IRC Section 501(c)(3) of the Internal Revenue Code, qualifying as a tax-exempt entity and, therefore, has no provision for income taxes. The Organization has determined that there was no unrelated business income for the years ending December 31, 2022 or 2021. Management has considered uncertain tax positions and believes there are no unrecognized tax benefits or obligations in the open tax years. The Organization is required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS annually.

New Accounting Pronouncements

Effective January 1, 2022, the Organization adopted FASB ASC 842, *Leases*. The Organization determines if an arrangement contains a lease at inception based on whether the Organization has the right to control the asset during the contract period and other facts and circumstances. The Organization elected the package of practical expedients permitted under the transition guidance within the new standard, which among other things, allowed it to carry forward the historical lease classification. The adoption has been applied retrospectively to the comparative financial statements.

The adoption of FASB ASC 842 resulted in the recognition of right-of-use-assets, net of prepaid lease payments and lease incentives, of \$ 75,967 and operating lease liabilities of \$ 75,967 as of January 1, 2021. Results for periods beginning prior to January 1, 2021 continue to be reported in accordance with the Organizations historical accounting treatment. The adoption of FASB ASC 842 did not have a material impact on the Organization's statement of activities, or cash flows.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONT'D)

New Accounting Pronouncements (Cont'd)

The Organization has adopted FASB ASU 2020-07 Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets. The update enhances the disclosures for in-kind donations. No significant impacts to the financial statements have occurred in result of this update.

The FASB issued ASU 2018-15 Intangibles – Goodwill and Other – Internal-Use Software, ASC 350-40, Customer's Accounting for Implementation Costs Incurred in a Cloud Computing Arrangement That Is a Service Contract. This ASU clarifies the treatment of costs associated with cloud computing arrangements. The guidance update is applicable to the Organization beginning January 1, 2023.

NOTE 3 – CASH FLOW INFORMATION

In-kind donations received for supplies, club locations and services totaled \$ 683,466 and \$ 628,346 for the years ending December 31, 2022 and 2021, respectively. To reflect the cost associated with the in-kind donations, in-kind expenses are included in program service expense on the statement of functional expenses. The Organization incurred no interest payments or non-cash financing transactions for the year.

As of December 31, 2022, and 2021, respectively, there was \$ 2,765,751 and \$ 1,150,926 of cash restricted by donors to fund programs for subsequent years and/or special projects.

NOTE 4 – AVAILBILITY AND LIQUIDITY

As of December 31, 2022, and 2021, certain portions of the Organization's total financial assets are not available to be used within one year due to restrictions placed on the financial assets by the donor at the time of contribution. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Organization must maintain sufficient resources to meet those responsibilities to its donors. As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In the event of an unanticipated liquidity need, the board could draw upon assets in which they have designated for specific purposes. In addition, during the current year, the Organization opened a line of credit with a local bank in the amount of \$ 250,000. As of December 31, 2022, no funds have been drawn from the line of credit. In addition, The Organization has a goal to maintain financial assets to meet one year of normal operating expenses.

The following represents Boys & Girls Clubs of Lanier's financial assets at December 31:

	2022	2021
Financial assets at year end:		
Cash and cash equivalents	\$ 8,595,080	\$ 4,276,588

Pre-paid and cash surrender items	26,441	19,247
Investments, board designated	1,100,330	324,695
Total financial assets	11,643,164	7,066,937
Less amounts not available to be used within one year:		
Net assets with donor restrictions	4,164,646	3,356,983
	4,164,646	3,356,983
Financial assets available to meet general expenditures		
over the next twelve months	\$ 7,478,518	\$ 3,709,954

NOTE 5 – GRANTS AND CONTRIBUTIONS RECEIVABLE

The Organization receives local, state and federal grants primarily for program specific services to be provided to kids and teens. Those grants receivable consist of the following as of December 31:

	 2022		2021	
21st Century Community Learning Centers	\$ 367,626	\$	234,160	
Georgia Alliance of Boys & Girls Clubs	131,191		118,687	
OJP Mentoring	95,267		43,439	
CACFP	10,988		6,291	
GEER	11,920		345,564	
BOOST	40,044		-	
HealthPower	 2,054		-	
Total	\$ 659,090	\$	748,141	

All grants receivable for December 31, 2022 are expected to be collected within several months subsequent to year-end and are therefore considered current.

Unconditional promises to give ("contributions receivable") are estimated to be collected as follows at December 31:

	2022	2021
Amounts due within one year:		
Capital and annual campaign	\$ 954,673	\$ 112,047
Other	322,700	1,598,833
Allowance for uncollectible	(915)	(915)
	1,276,458	1,709,965
Less discount on contributions, current portion	(14,235)	(11,699)
Net contributions receivable, current portion	1,262,223	1,698,266
Amounts due in more than one year:		
Capital and annual campaign, long-term	207,501	401,710
Less discount on pledges, non-current portion	(9,603)	(7,876)
Net contributions receivable, long-term	197,898	393,834
Total contributions receivable	\$ 1,460,121	\$ 2,092,100

Unconditional promises to give due in more than one year at the time of donation are recognized at the present value of their estimated future cash flows using rates between .97% and 3.20%, dependent upon the date the donor made the promise to give.

NOTE 5 - GRANTS AND CONTRIBUTIONS RECEIVABLE (CONT'D)

As of December 31, 2022, there is a conditional promise to give in the amount of \$1,500,000 to be provided to the Organization when certain expectations and satisfactory gifts have been obtained in cash, marketable securities and formal written pledges have been obtained designated for the new Hall County Club and construction has begun. Because these conditions have not yet been met, the contribution has not been recognized on the statement of activities. As of December 31, 2021, there are no conditions noted on contributions and all contributions have been recognized on the statement of activities.

The Organization has been notified of an intention to give as a bequest, that accompanies a contribution receivable. The amount of unconditional contribution is estimated to be given in increments of an annual minimum of \$ 20,000 until reaching \$ 100,000, with the remaining intent to be given at the time of death from an estate. The amount of giving is considered to be up to \$ 500,000. As of December 31, 2022, the amount of contribution recognized in the current year is \$ 100,000. There has been no recognition of the portion considered to be an intent to give to the Organization.

As of December 31, 2022, one donor accounted for approximately 37% of the total promises to give. The Organization believes this contribution to be collectible in its entirety within the year and therefore has not provided an allowance for uncollectible on the receivable. In addition, all significant pledges outstanding as of December 31, 2021 were collected in the current fiscal year or in full by the date of these financial statements.

NOTE 6 – PROPERTY AND EQUIPMENT

The following is a summary of property and equipment as of December 31:

	2022	2021

Depreciation expense was \$ 106,306 for 2022 and \$ 106,134 for 2021.

NOTE 7 – BOARD DESIGNATED ENDOWMENT

In 2011, a board designated endowment fund resolution was completed with a local Community Foundation. The Community Foundation's purpose is intended to provide an additional level of care and skill which assists in the appreciation of the funds that they manage. In addition, the Community Foundation provides accountability toward the use of any assets disbursed from the endowment investment.

Distributions from the endowment fund shall be spent only for the following purposes: general operations, program expenses, capital expenditures, or any other projects deemed appropriate by the Boys & Girls Clubs of Lanier, Inc., as set out in its articles of incorporation.

NOTE 7 – BOARD DESIGNATED ENDOWMENT (CONT'D)

All requests for distributions from the endowment fund shall be requested by both the Chief Executive Officer and the President of the Boys & Girls Clubs of Lanier, only after prior approval of the board of directors. Distributions in excess of the determined spending amount that will invade the fund's corpus must be approved by a majority vote of a quorum of the board of directors of the Boys & Girls Clubs of Lanier, Inc. In addition, the Boys & Girls Clubs of Lanier interprets and follows the applicable laws and regulations that accompany endowment funds.

The finance committee of the Boys & Girls Clubs of Lanier, Inc., shall monitor the performance of the endowment fund on a quarterly basis, and the chairperson of the finance committee shall present a report at least annually to the Boys & Girls Clubs of Lanier's board. These guidelines may be ratified or amended at any time by a 70% vote of a quorum of the board of directors.

The Organization did not authorize any disbursements from, receive any contributions or transfer any funds toward the endowment investment during the years ending December 31, 2022 or 2021, but did reinvest additional reserve funds into the account during the year. All other changes in the unrestricted endowment investment consisted of net investment income during the 2022 and 2021 fiscal years. The board designations consisted of investments of \$ 1,100,330 and \$ 324,695 for the years ending December 31, 2022 and 2021, respectively; and the assets held at a Community Foundation of \$ 19,470 and \$ 0, for the years ending December 31, 2022 and 2021, respectively.

NOTE 8 – INVESTMENTS

The Organization applies Accounting Standards Codification (ASC) Number 820, *Fair Value Measurements and Disclosures,* for fair value measurements of financial assets. ASC No. 820, estimates the fair value of the financial assets based on three levels of valuation. The investment assets are all measured at Level I of the fair value measurement framework. Level I valuations are based on unadjusted market prices for identical assets or liabilities in accessible and active markets. As of December 31, 2022, and 2021, the Level I investments on the statement of financial position consisted of marketable securities with a fair value of \$ 1,100,330 and \$ 324,695, respectively; and \$ 19,470 and \$ 0, respectively for the assets held as a Community Foundation. The investments are held at a Community Foundation as the Board Designated Endowment and the Bert and Mary Emma Endowment as of December 31, 2022.

The investments are Board Designated and therefore considered without donor restriction. The components of investment income included in the statement of activities is as follows:

	2022		2021
Interest income	\$	79	\$ 2
Dividend income		18,879	16,891
Unrealized gain/(loss)		(85,941)	12,898

Investment fees		(3,636)	 (3,197)
Net investment income (loss)	\$	(69,552)	\$ 34,922

NOTE 9 – LEASES

The Organization was committed to various month to month operating leases for space rentals for the Central office and storage facilities. The leases are negotiated between the parties, and are cancelable by either party upon proper notice. These are recorded as short-term lease costs on the statement of functional expenses.

The Organization has an operating lease for Club facilities. The lease is for a period of nearly four years beginning May 1, 2021 through February 28, 2025 with an option to renew for additional terms extending five or more years.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Boys & Girls Clubs of Lanier, Inc. Gainesville, Georgia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Boys & Girls Clubs of Lanier, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 26, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Boys & Girls Clubs of Lanier, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Boys & Girls Clubs of Lanier, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Boys & Girls Clubs of Lanier, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Boys & Girls Clubs of Lanier, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors Boys & Girls Clubs of Lanier, Inc. Gainesville, Georgia

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Boys & Girls Clubs of Lanier, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Boys & Girls Clubs of Lanier, Inc.'s major federal programs for the year ended December 31, 2022. Boys and Girls Clubs of Lanier, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Boys & Girls Clubs of Lanier, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Boys & Girls Clubs of Lanier, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Boys & Girls Clubs of Lanier. Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Boys & Girls Clubs of Lanier, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Boys & Girls Clubs of Lanier, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance

when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Boys & Girls Clubs of Lanier, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Boys & Girls Clubs of Lanier, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Boys & Girls Clubs of Lanier, Inc.'s internal control over compliance relevant to
 the audit in order to design audit procedures that are appropriate in the circumstances and to test and report
 on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of
 expressing an opinion on the effectiveness of Boys & Girls Clubs of Lanier, Inc.'s internal control over
 compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

BOYS & GIRLS CLUBS OF LANIER, INC. NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS December 31, 2022

NOTE 1 – BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of the Boys & Girls Clubs of Lanier, Inc., (the "Organization") under programs of the federal government for the year ended December 31, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administration Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected position of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Boys & Girls Clubs of Lanier, Inc.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards,* wherein certain types of expenditures are allowable or are limited as to reimbursement.

NOTE 3 – INDIRECT COST

Boys & Girls Clubs of Lanier, Inc. has elected not to use the 10-percent *de minimis* indirect cost rate allowed under the Uniform Guidance.
