SUCCESS STORY: ELIAS | KINDERGARTEN

When Elias became a member of Boys & Girls Clubs of Lanier, he acted out, didn't listen to instructions and had trouble following rules. He was disengaged from activities and wouldn't do his homework. The Club has given him structure and attention.

He receives help, praise, and encouragement for good behavior. He has guidance to make better choices and has learned right from wrong. Today, Elias has grown immensely and has a great attitude. Elias is now the first to follow rules and is setting an example for his peers. His attitude toward homework has shifted and he's always eager to get it done.

THE BERT & MARY EMMA ENDOWMENT FUND

The Boys & Girls Clubs of Lanier Lifestyle Scholarship, provided through the Bert & Mary Emma Endowment Fund, is awarded to Boys & Girls Club members who have, over time, demonstrated friendship, service, and dedication to being the best that they can be and inspiring others to improve their lives. The scholarship will allow Club members to attend summer camp, after-school programs, enrichment programs, and more. Thank you, Bert and Mary Emma, for your dedication to the lives of young people.

TECHNOLOGY & CODING PROGRAM

The Tim Lee Club's Technology & Coding program, led by Mrs. McGugan, teaches problem-solving and life skills. Members work as a team to make a plan and put it into action. Kids use technology to research and implement what they've learned as part of the Club's STEM program.

STAFF SPOTLIGHT: QYMANE BRAWNER

Club Alumnus and Tim Lee Club Director, Qymane Brawner, plays an important role in the success of Club members. He is devoted to the kids he serves every day and has experienced first hand the impact the Club has had on his life.

"The more we invest in our youth, as far as programming, mentoring, tutoring, and just being there; over time, we are able to see an unbelievable return on investment. If we continue to invest in our youth and give them access to tools to be successful, the growth of our members will be astronomical. Set goals & expectations, stay consistent, and trust the process."

- Qymane Brawner

CHRISTMAS BLIZZARD BASH

Habersham County Clubs joined together for their annual Blizzard Bash – The Ultimate Winter Lip Sync Battle. Club members stole the spotlight to showcase their charisma and skills. Tramyia blew the roof off the building performing "Girl On Fire" by Alicia Keys. Her energy and determination encouraged others to step out of their comfort zone and show how great they truly are.

SAFETY DAY

The Tim Lee Club received a special visit from local first responders to learn more about their careers. Club members were able to check out safety equipment and watch live demonstrations. After learning all about what it's like to be a first responder, the safety squad took it to the court for a Firefighters vs. Police Officers dodgeball game. Club members cheered for their favorite team.
