2024 IMPACT REPORT

Our Mission

To inspire and enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

The Need In Our Community

Kids and teens, as in every generation, face a myriad of challenges; One in six lives in poverty. Most are falling behind in basic academic disciplines such as reading and math. Emotional and mental health issues are pervasive across all demographic boundaries. College enrollments are down, while teens search for purpose and direction for their future. The demand for BGCL programs and services is increasing daily.

The Club Experience

The Boys & Girls Clubs of Lanier fills the gap between school and home. We provide safe, positive and enriching environments in which kids and teens have fun, participate in life-changing programs, and build supportive relationships with peers and caring adults throughout Hall, Habersham, and Forsyth County.

BGCL enables young people to achieve positive outcomes in four areas:

1. **Academic Success**
2. **Character & Leadership**
3. **Health & Well-being**
4. **Life & Workforce Readiness**
