Overview and History

The Positive Place Club 1 Success Academy (Enota-New Holland) of the Boys and Girls Clubs of Lanier (BGCL) 21st Century program is operated in Gainesville, Georgia at the New Holland Core Knowledge Academy campus. The current program began through a Georgia Department of Education grant awarded in 2015. It targets K-5 students through an after-school program of extended academic instruction and original activities designed to enhance and enrich participation and learning. Program goals and objectives focus on student achievement improvement in the areas of english language arts and mathematics, STEM activities, enrichment, and family involvement. Certified and/or trained personnel complemented the traditional school activities and allowed for academic and personal growth delivered academic and enrichment instruction. Reading and mathematics instruction occurs through creative implementation of instruction by Georgia certified teachers. Enrichment activities during the program included various fine arts and physical education/recreation activities including keyboarding, choir, ballet, modern dance, photography, and culinary arts. The parent program was composed of a variety of opportunities including English classes, financial literacy and budgeting, access to technology, health/wellness, curriculum and literacy nights, and various holiday celebrations.

The program targets a largely Hispanic and African American population, with some English language learners. SheTeriha Lewis serves as the Program Director, Qymane Brawner is the Site Coordinator, Amy Buffington is the Lead Teacher, and Kyna Love is the Data Specialist. The program is also supported by K-5 grade level Georgia certified teachers, paraprofessionals, BGCL Youth Development Professionals (YDPs), and community volunteers.

Student Attendance and Enrollment

The Positive Place Club 1 (Enota – New Holland) Success Academy of the Boys and Girls Clubs of Lanier 21st Century Community Learning Center Program registered 203 students during 2018-2019. Of those 203 students, 129 were considered regular attendees having attended 30 or more days. The average daily attendance on site was 108 students per day. The average daily attendance of all students enrolled was 53%. The average daily attendance of regular attendees was 84%. Student attendance and enrollment data are summarized in Table A.

Table A. Student Attendance and Enrollment

Participant Attendance and Enrollment*				
# of Students Enrolled	# of Regular Attendees	Average Daily Attendance	Daily Attendance % of Students Enrolled	Daily Attendance % of Regular Attendees
203	129	108	53%	84%

**Data collected from Cayen (Attendance-Totals/Attendance Summary/Youth Only/All Students)*

Table B describes the demographics of the regularly attending students. These students were composed of 59 males, 70 females, 80 Black students, 22 Hispanic students, 5 English language learners, and 9 students with disabilities.

Table B. Regularly Attending Student Demographics

Participant Demographics				
Gender		Ethnicity	EL	SWD
Male	Female	Black/Hispanic		
59	70	80/22	5	9

Program Operation

The Positive Place Club 1 (Enota) Success Academy began the after-school program August 8, 2018 and ended it for the 2018-2019 school year on May 24, 2019. The after-school program began at 2:30 p.m. and ended at 5:30 p.m., Monday through Friday each week. The program was composed of a daily after school nutritional snack time, Power Hour (homework assistance), mathematics and reading extended learning, and enrichment activities including ballet, photography and STEAM. The 21st Century Program included the parent/guardian component that provided for parent literacy/education activities and family involvement/enrichment activities (258) participants. Table C describes the service time for the 2018-2019 program.

Table C. Positive Place 21st Century Program Operation

Student Participant Program Operation					
Days Per Week	Total Weeks	Total Days	Hours Per Day	Hours per Week	Total Hours
5	36	174	3	15	540

Quality of Staffing

The Positive Place Club 1 (Enota) Success Academy employed a total of 48 staff members that included 28 school-day teachers, 3 center administrators, and 17 youth development professionals. Of the staff members, the Georgia Professional Standards Commission certified content instructional personnel. The student to staff (school-day teachers plus youth development

professionals) ratio among regularly attending students was 15:1 for enrichment activities, and 10:1 for academic activities, satisfying the guideline requirements.

The Positive Place Club 1 Success Academy of BGCL 21st CCLC leadership staff includes SheTeriha Lewis, Program Director, Qymane Brawner, Site Coordinator, Kyna Love, Data Specialist, and Amy Buffington, Lead Teacher. Amy Buffington is a Georgia teacher certified through the Professional Standards Commission (PSC). She is an Academic Coach at Mundy Mill Learning Academy. Leadership supported staff performance through the identification of instructional needs, defining targeted interventions, and implementing appropriate professional learning opportunities. Many professional learning opportunities were offered throughout the school year. The Positive Place Club 1 Success Academy BGCL staff participated in regular weekly meetings to discuss issues, concerns, plans, procedures, policies, and professional development needs as they arose. Additionally, contracted tutors/enrichment providers met monthly for the same purpose. The Program Director and Data Specialist attended the 21st CCLC Regional Brown Bag sessions with select professional development topics presented by DOE staff and/or contractors. Table D describes professional learning provided for all staff.

Table D. Positive Place One - 21st Century Staff Professional Learning

Training Name	Positions required	Training Hours
Safety – First Aid/CPR/Active Shooter	YDP, Unit Directors, Program Director, Outcomes Measurement	11.5
Classroom Management	YDP’s, Unit Directors, Tutors	6
Program Facilitation – Triple Play, Passport to Manhood, Power Hour, SMART Programs, etc.	YDPs, Unit Directors	6

Objective Assessment

Objective assessment occurred through a variety of analyses as defined by the 21st Century grant application and amendments throughout the four -year program. A summary table, E, provides a quick review of annual progress on the defined objectives of the program with a descriptive analysis following.

Objective Assessment Summary Table

Table E. Regularly Attending Students – Objective Assessment

Objective Assessment	
Objective	Status
Objective 1.1: 60% of students participating in the program will maintain an A or B, or improve their reading grades	Met
Objective 1.2: 60% of students participating in the program will maintain an A or B, or improve their math grades.	Met
Objective 1.3: 55% of participants will score “proficient” or “developing” in math on the required annual state level assessment.	Met
Objective 1.4: 55% of participants will score “proficient” or “developing” in reading/language arts on the required annual state level assessment.	Met
Objective 2.1: 60% of students participating in the program will demonstrate improvement in homework completion.	Met
Objective 2.2: 60% of students participating in the program will demonstrate improvement in behavior.	Met
Objective 2.3: 60% of students participating in the program will demonstrate improvement in class attendance and participation	Met
Objective 3.1: 35% of the parents/guardians will participate in family literacy/education activities.	Met
Objective 3.2: 35% of the parents/guardians will participate in activities that promote their child’s success in school	Met

Objective 1.1: Met

60% of students participating in the program will maintain an A or B, or improve their reading grades

This objective was met because **72%** of students in regular attendance reading grades maintained an A or B, or improved their reading grades. Determination of success was based on Quarter 2 mathematics grades compared to Quarter 4 mathematics grades using the following scale:

- 1 – Not Evident (Comparable to D/F Grade)
- 2 – Progressing (Comparable to C Grade)
- 3 – Meets (Comparable to B Grade)
- 4 – Exceeds (Comparable to A Grade)

Objective 1.2: Met

60% of students participating in the program will maintain an A or B, or improve their math grades.

This objective was met because **72%** of students in regular attendance math grades improved. Determination of success was based on Quarter 2 mathematics grades compared to Quarter 4 mathematics grades using the following scale:

- 1 – Not Evident (Comparable to D/F Grade)
- 2 – Progressing (Comparable to C Grade)
- 3 – Meets (Comparable to B Grade)
- 4 – Exceeds (Comparable to A Grade)

Objective 1.3: Met

55% of participants will score “proficient” or “developing” in math on the required annual state level assessment.

This objective was met because **74%** of regularly attending students scored “proficient” or “developing” in math on the required annual Milestones state level assessment.

Objective 1.4: Met

55% of participants will score “proficient” or “developing” in reading/language arts on the required annual state level assessment.

This objective was met because **66%** of regularly attending students scored “proficient” or “developing” in reading/language arts on the required annual Milestones state level assessment.

Objective 2.1: Met

75% of students participating in the program will demonstrate improvement in homework completion.

This objective was met because 74% of regularly attending students demonstrated improvement in homework completion. Assessment of Objective 6 was completed through survey analysis of day teachers (regular classroom teachers). The program supported these students by providing time and assistance for homework completion before returning them to their homes in the evening.

Objective 2.2: Met

75% of students participating in the program will demonstrate improvement in behavior.

This objective was met because improvement in behavior was reported at **70%** for this group of respondents, as indicated by teacher surveys.

Objective 2.3: Met

75% of students participating in the program will demonstrate improvement in class attendance and participation.

Determination of success of Objective 7 was based on day teacher surveys. Teachers have a unique perspective on student understanding based on a variety of observational and performance cues. Additionally, these very young students have a sense of doing better in school as a result of their involvement with the daily routine – listening, responding, completing tasks, etc. Survey responses indicated **78%** perceive improvement.

Objective 3.1: Met

35% of the parents/guardians will participate in family literacy/education activities.

A review of the data indicated that **46%** of the parents of regularly attending students participated in literacy/education activities.

Objective 3.2: Met

35% of the parents/guardians will participate in activities that promote their child's success in school.

A review of the data indicated that **64%** of parents/guardians participated in activities that promoted their child's success in school.

Other Observations

The Positive Place Club 1 Success Academy at BGCL 21st Century includes a schedule of regular tutoring and enrichment activities that support student enthusiasm and participation. The program offered opportunities for participants to receive additional instruction in the areas of reading and mathematics; experience various forms of art education, physical fitness activities, and STEAM-based learning; and develop friendships and relationships with caring adults in a welcoming and nurturing environment. Parents were engaged in a multitude of opportunities for participation as well. Parents were supported in English language acquisition, financial literacy and planning, how to support their child's learning at home, etc.

The BGCL Youth Development Professionals (YDPs) are all dedicated, professional young people. They work diligently to assist participating children as they complete homework, listen to stories, dance, complete art projects, work on math and/or reading skills in classroom instructional settings, and experience technology. The YDP staff is composed of young women and men who make the child's experience safer and more fulfilling. The instructional staff works to remediate as well as enrich the reading and mathematics competency of the participants after teaching during the regular school day. The administrative staff works successfully with YDPs, certified staff, volunteers, and parents to monitor and maintain the program. They work with the community and volunteers to enrich the program and creatively implement strategies designed to boost the experience of the participating students and their families.

Progress Toward Sustainability

The BGCL 21st CCLC program has established partnerships with (14) organizations over the course of the academic year. These partnerships have resulted in enrichment activities and programs, as well as financial support. Partner type and program contributions, both financially and in-kind are represented in Table F.

Table F. Partnerships Supporting Sustainability

Partner	Type	Financial Support
Chik Fil A	Goods/Service	\$ 200.00
New Holland CKA	Service (Space)	\$ 43,200.00
Georgia's Own Credit Union	Goods/Service	\$161.00
Hall County Credit Union	Goods	\$150.00
GA Mountain Food Bank	Goods	\$ 900.00
Red Lobster	Goods	\$70.00
Sonny's BBQ	Goods	\$100.00
Home Depot	Goods	\$50.00
Gainesville Ballet	Service	\$7,000.00
Crossroads Deli	Goods	\$101.25
Caroline Ernst	Goods	\$50.00
Little Caesar's Pizza	Goods	\$32.10
Gainesville City School	Goods	\$28,350.00
Mar-Jac Poultry	Goods	\$ 50.00

When funding is no longer available, the Boys and Girls Clubs of Lanier will continue to partner with local organizations, as well as, pursue new grants and local funding to maintain the program. The advisory team will seek support from community faith-based organizations to provide volunteers and monetary support. Project design builds the capacity of the Boys and Girls Clubs of Lanier to continue the project at reduced cost in later years as technology equipment, software, manipulatives, remediation workbooks, and other resources are in place while staff development is spread across most of the teaching staff. However, without the opportunity of the 21st CCLC grant, the program would be minimized in its service to students and the community.

Overall Recommendations

The 2018-2019 implementation of the BGCL 21st CCLC program has been beneficial to many students and parents. Program staff worked diligently to ensure student success. Progress has been made by meeting the grant requirements (participation, hours per week and weeks per year, quality staff, and student-staff ratio).

In order to successfully continue with future programs, the following recommendations should be considered.

- Monitor classroom and enrichment implementation with rubric-based instruments and provide quarterly feedback for more focused and databased recommendations.
- Amend academic goals to review universal screeners, versus quarterly grades.
- Develop a plan for entering data (other than attendance into Cayen) on a timely basis.
- Provide participating students with more variety in enrichment opportunities.
- Monitor ratio in enrichment classrooms, to maintain 15:1 student to staff ratio.
