## **Overview and History**

The Teen Center Club Success Academy of the Boys & Girls Clubs of Lanier (BGCL) operates in Gainesville, Georgia on the Positive Place campus. The Boys & Girls Clubs of Lanier is a subgrantee of the Nita M. Lowey 21<sup>st</sup> Century Community Learning Centers grant, and is a member of the FY20 cohort. The program serves 6<sup>th</sup>-12<sup>th</sup> grade students of the Gainesville City Schools System through both a summer and after-school program of extended academic instruction and original activities designed to enhance and enrich participation and learning. Program goals and objectives focus on student achievement improvement in the areas of English language arts and mathematics, STEAM activities, various enrichments, and family engagement. Throughout the course of the program year, academic and enrichment instruction were delivered, by certified and/or trained personnel, which complemented the traditional school activities and allowed for both academic and personal growth. Reading and mathematics instruction occurs through creative implementation of instruction by Georgia certified teachers supplemented with the instructional support of various other qualified school personnel. The parent program was composed of a variety of opportunities including mental health awareness issues, literacy-based curriculum nights, and a variety of milestone celebrations.

The program targets a population that includes a large minority base. Many of the members also come from households that are considered to be economically disadvantaged. The program is a partnership between Gainesville City Schools and Gainesville Middle and High Schools. The program is supported by Georgia certified teachers, BGCL Youth Development Professionals (YDPs), and community volunteers.

### **Student Attendance and Enrollment**

The Teen Center Club Success Academy of the Boys and Girls Clubs of Lanier 21<sup>st</sup> Century Community Learning Center Program registered 77 students during the 2020-2021 program year. Of those 77 students, 53 were considered regular attendees as a result of attending 30 or more days. The average daily attendance on site was 28 students per day. The average daily attendance of all students enrolled was 36%. The average daily attendance of regular attendees was 53%. Student attendance and enrollment data are summarized in Table A.

**Table A. Student Attendance and Enrollment**

<b>Participant Attendance and Enrollment*</b>				
<b># of Students Enrolled</b>	<b># of Regular Attendees</b>	<b>Average Daily Attendance</b>	<b>Daily Attendance % of Students Enrolled</b>	<b>Daily Attendance % of Regular Attendees</b>
77	53	28	36	53

*\*Data collected from Cayen (Attendance-Totals/Attendance Summary/Youth Only/All Students)*

Table B describes the demographics of the regularly attending students. These students were composed of 33 males, 44 females, 61 Black students, 10 Hispanic students, and 15 students with noted disabilities.

**Program Operation**

The Teen Center Club Success Academy began the after-school program year on August 17, 2020 and operated through May 19, 2021. The typical after-school program day began at 4:00 p.m. and ended at 7:00 p.m. Mondays through Fridays each week. The program was composed of an after school nutritional snack time, homework assistance, mathematics and reading extended learning, and various enrichment activities. The Teen Center Club Success Academy included the parent/guardian component that provided for parent literacy/education activities and family involvement/enrichment activities throughout the year (42 participants). Table C describes the service time for the 2020-2021 program.

## Quality of Staffing

The Teen Center Club Success Academy employed 16 staff members that included eight school-day teachers, three center administrators, and five youth development professionals. Of the staff members, many content instructional personnel were certified by the Georgia Professional Standards Commission. The student to staff (school-day teachers plus youth development professionals) ratio among regularly attending students was typically 7:1 for academic programs and 11:1 for enrichment activities, satisfying the guideline requirements.

The Teen Center Club Success Academy of BGCL leadership team included SheTeriha Lewis-Hartley, Program Director, Antoine Nealey, Unit Director, Kyna Love, Data Specialist, and Shannon McGonigal, Lead Teacher. Shannon McGonigal is a Gainesville City Schools ELA Lead at Gainesville Middle School, who is certified through the Professional Standards Commission (PSC). Leadership supported staff performance through the identification of instructional needs, defining targeted interventions, and implementing appropriate professional learning opportunities. Many professional learning opportunities were offered throughout the school year. The Teen Center Club Success Academy at BGCL staff participated in regular weekly meetings to discuss issues, concerns, plans, procedures, policies, and professional development needs as they arose. Additionally, contracted tutors/enrichment providers met monthly for the same purpose. Table D describes professional learning provided for all staff.

## Objective Assessment

Objective assessment occurred through a variety of analyses as defined by the 21<sup>st</sup> Century grant application and amendments for the duration of the 5-year program. A summary Table E, provides a quick review of annual progress on the defined objectives of the program with a descriptive analysis following.

### Objective Assessment Summary Table

**Table E. Regularly Attending Students – Objective Assessment**

<b>Objective Assessment</b>	
<b>Objective</b>	<b>Status</b>
Objective 1.1: 60% of students participating in the program will improve their reading performance, as indicated by appropriate universal screeners.	<b>Not Met</b>
Objective 1.2: 60% of students participating in the program will improve their mathematics performance, as indicated by appropriate universal screeners.	<b>Met</b>
Objective 1.3: 65% of participants will demonstrate improvement in homework completion, as indicated by teacher surveys.	<b>Met</b>
Objective 2.1: 65% of students participating in the program will demonstrate improvement in classroom behavior, as indicated by teacher surveys.	<b>Met</b>
Objective 2.2: 65% of students participating in the program will demonstrate improvement in class attendance and participation, as indicated by teacher surveys.	<b>Met</b>
Objective 2.3: 60% of students participating in the program will not have an initial or repeat involvement with the Juvenile Justice System.	<b>Met</b>
Objective 3.1: 50% of the parents/guardians will participate in at least one family literacy and education activities.	<b>Met</b>
Objective 3.2: 50% of the parents/guardians will demonstrate increased involvement and communication with the child's teacher and/or school staff by the end of the school year.	<b>Not Met</b>
Objective 4.1: 70% of students participating in Career Launch and Money Matters will demonstrate increased knowledge of essential college and career readiness skills, including time management, goal setting, career exploration, financial literacy, and study skills.	<b>Not Assessed</b>
Objective 4.2: 70% of regularly attending students will participate in college tours, and demonstrate increased knowledge of college types, admissions requirements, and financial aid/affordability – grades 9-12.	<b>Not Met</b>

Objective 1.1: **Not Met**

60% of students participating in the program will improve their reading performance, as indicated by appropriate universal screeners.

**52% of students improved their reading performance.**

Objective 1.2: **Met**

60% of students participating in the program will improve their mathematics performance, as indicated by appropriate universal screeners.

**100% of students improved their math performance.**

Objective 1.3: **Met**

65% of participants will demonstrate improvement in homework completion, as indicated by teacher surveys.

**73% of students improved homework completion.**

Objective 2.1: **Met**

65% of students participating in the program will demonstrate improvement in classroom behavior, as indicated by teacher surveys.

**69% of students improved classroom behavior.**

Objective 2.2: **Met**

65% of students participating in the program will demonstrate improvement in class attendance and participation, as indicated by teacher surveys.

**70% of students improved class attendance and participation.**

Objective 2.3: **Met**

60% of students participating in the program will not have an initial or repeat involvement with the Juvenile Justice System.

**96% of students did not have an initial or report involvement with the Juvenile Justice System.**

Objective 3.1: **Met**

50% of the parents/guardians will participate in at least one family literacy and education activities.

**95% of parents participated in family literacy and education activities.**

Objective 3.2: **Not Met**

50% of the parents/guardians will demonstrate increased involvement and communication with the child's teacher and/or school staff by the end of the school year.

## **16% of parents demonstrated increased involvement.**

### Objective 4.1: **Not Assessed**

70% of students participating in Career Launch and Money Matters will demonstrate increased knowledge of essential college and career readiness skills, including time management, goal setting, career exploration, financial literacy, and study skills.

### Objective 4.2: **Not Met**

70% of regularly attending students will participate in college tours, and demonstrate increased knowledge of college types, admissions requirements, and financial aid/affordability – grades 9-12.

**36% of students, grades 9-12, participated in college tours throughout the program year, and demonstrated increased knowledge of college types, admissions requirements, and financial aid/affordability.**

## **Other Observations**

The Teen Center Club Success Academy at BGCL 21<sup>st</sup> Century includes a schedule of tutoring and enrichment activities that support student enthusiasm and participation. The program offered opportunities for participants to receive additional instruction in the areas of reading and mathematics, experience various arts activities, and develop friendships and relationships in a welcoming and nurturing environment. Parents were offered several opportunities to participate in activities, which were designed to support their child is learning at home, parenting, technology use, etc.

## Student Responses (42):

- 69% “Strongly Agree” or “Somewhat Agree” they like the program.
- 93% “Strongly Agree” or “Somewhat Agree” they have made new friends through the 21<sup>st</sup> Century Program.
- 63% “Strongly Agree” or “Somewhat Agree” they feel better about themselves as a result of their participation in the 21<sup>st</sup> Century Program.

The BGCL Youth Development Professionals (YDPs) are all dedicated, professional young people. They work diligently to assist participating teens as they complete homework, listen to stories, dance, complete art projects, work on math and/or reading skills in classroom instructional settings, and experience technology. The YDP staff is composed of young women

and men, trained college students and community members, who make each members experience safer and more fulfilling. The instructional staff works to remediate as well as enrich the reading and mathematics competency of the participants after teaching during the regular school day. The administrative staff works successfully with YDPs, certified staff, volunteers, and parents to monitor and maintain the program. They work with the community and volunteers to enrich the program and creatively implement strategies designed to boost the experience of the participating students and their families.

### **Progress Toward Sustainability**

The BGCL 21<sup>st</sup> CCLC program has established partnerships with **5** entities during year two of this grant cycle. These partnerships have resulted in enrichment activities and programs, as well as financial support. When funding is no longer available, the Boys and Girls Clubs of Lanier will continue to collaborate with local organizations, as well as, pursue new grants and local funding to maintain the program. The advisory team will seek support from community faith-based organizations to provide volunteers and monetary support. Project design builds the capacity of the Boys and Girls Clubs of Lanier to continue the project at reduced cost in later years as technology equipment, software, manipulatives, remediation workbooks, and other resources are in place while staff development is spread across most of the teaching staff. However, without the opportunity of the Nita M. Lowey 21<sup>st</sup> CCLC grant, the program would be minimized in its service to students and the community.

## **Overall Recommendations**

The 2020-2021 implementation of the BGCL Teen Center Club Success Academy program has been beneficial to many students and parents. Program staff worked diligently to ensure student success. Progress has been made by meeting the grant requirements (participation, hours per week and weeks per year, quality staff, and student-staff ratio).

In order to successfully continue with future programs, the following recommendations should be considered.

- Monitor classroom implementation with rubric-based instruments and provide quarterly feedback for more focused and data-based recommendations.
- Provide participating students with more variety in enrichment opportunities.
- Finalize a plan for hybrid program operation to ensure a seamless transition when necessary, to avoid any delay in services.
- Offer additional, more frequent opportunities for parent engagement with school administration.
- Seek out innovative opportunities for partnership with various community agencies in order to provide additional program services for Club youth and their families.

Respectfully submitted,  
Michael Bush
