## **Overview and History**

The Walters Club Success Academy of the Boys & Girls Clubs of Lanier (BGCL) operates in Gainesville, Georgia adjacent to the Lyman Hall Elementary School campus. The Boys & Girls Clubs of Lanier is a subgrantee of the Nita M. Lowey 21<sup>st</sup> Century Community Learning Centers grant, and is a member of the FY20 cohort. The program serves K-5 students of the Hall County School District through both a summer and after-school program of extended academic instruction and original activities designed to enhance and enrich participation and learning. Program goals and objectives focus on student achievement improvement in the areas of English language arts and mathematics, STEAM activities, various enrichments, and family engagement. Throughout the course of the program year, academic and enrichment instruction were delivered, by certified and/or trained personnel, which complemented the traditional school activities and allowed for both academic and personal growth. Reading and mathematics instruction occurs through creative implementation of instruction by Georgia certified teachers supplemented with the instructional support of various other qualified school personnel. The parent program was composed of a variety of opportunities including mental health awareness issues, literacy-based curriculum nights, and a variety of milestone celebrations.

The program targets a population that includes a large minority base. Many of the members also come from households that are considered to be economically disadvantaged. The program is a partnership between Hall County School District and Lyman Hall Elementary School. The program is supported by Georgia certified teachers, BGCL Youth Development Professionals (YDPs), and community volunteers.

### **Student Attendance and Enrollment**

The Walters Club Success Academy of the Boys and Girls Clubs of Lanier 21<sup>st</sup> Century Community Learning Center Program registered 111 students during the 2020-2021 program year. Of those 111 students, 95 were considered regular attendees as a result of attending 30 or more days. The average daily attendance on site was 57 students per day. The average daily attendance of all students enrolled was 51%. The average daily attendance of regular attendees was 60%. Student attendance and enrollment data are summarized in Table A.

**Table A. Student Attendance and Enrollment**

<b>Participant Attendance and Enrollment*</b>				
<b># of Students Enrolled</b>	<b># of Regular Attendees</b>	<b>Average Daily Attendance</b>	<b>Daily Attendance % of Students Enrolled</b>	<b>Daily Attendance % of Regular Attendees</b>
111	95	57	51	60

*\*Data collected from Cayen (Attendance-Totals/Attendance Summary/Youth Only/All Students)*

Table B describes the demographics of the regularly attending students. These students were composed of 60 males, 51 females, 110 Hispanic students, 1 White student, 89 English language learners, and 7 students with noted disabilities.

**Table B. Regularly Attending Student Demographics**

<b>Participant Demographics</b>				
<b>Gender</b>		<b>Ethnicity</b>	<b>EL</b>	<b>SWD</b>
<b>Male</b>	<b>Female</b>	<b>Hispanic/White</b>		
60	51	110/1	89	7

**Program Operation**

The Walters Club Success Academy began the after-school program year on August 24, 2020 and operated through May 21, 2021. The typical after-school program day began at 2:30 p.m. and ended at 5:30 p.m. Mondays through Fridays each week. The program was composed of an after school nutritional snack time, homework assistance, mathematics and reading extended learning, and various enrichment activities. The Walters Club Success Academy included the parent/guardian component that provided for parent literacy/education activities and family involvement/enrichment activities throughout the year (64 participants). Table C describes the service time for the 2020-2021 program.

## Quality of Staffing

The Walters Club Success Academy employed 18 staff members that included 11 school-day teachers, three center administrators, and six youth development professionals. Of the staff members, many content instructional personnel were certified by the Georgia Professional Standards Commission. The student to staff (school-day teachers plus youth development professionals) ratio among regularly attending students was typically 9:1 for academic programs and 15:1 for enrichment activities, satisfying the guideline requirements.

The Walters Club Success Academy of BGCL leadership team included SheTeriha Lewis-Hartley, Program Director, Arizaid Guzman, Unit Director, Elena Martin, Data Specialist, and Neusa Wendt, Lead Teacher. Neusa Wendt is a retired Lyman Hall Elementary School teacher, who is certified through the Professional Standards Commission (PSC). Leadership supported staff performance through the identification of instructional needs, defining targeted interventions, and implementing appropriate professional learning opportunities. Many professional learning opportunities were offered throughout the school year. The Walters Club Success Academy at BGCL staff participated in regular weekly meetings to discuss issues, concerns, plans, procedures, policies, and professional development needs as they arose. Additionally, contracted tutors/enrichment providers met monthly for the same purpose. Table D describes professional learning provided for all staff.

## Objective Assessment

Objective assessment occurred through a variety of analyses as defined by the 21<sup>st</sup> Century grant application and amendments for the duration of the 5-year program. A summary Table E, provides a quick review of annual progress on the defined objectives of the program with a descriptive analysis following.

## Objective Assessment Summary Table

**Table E. Regularly Attending Students – Objective Assessment**

Objective Assessment	
Objective	Status
Objective 1.1: 60% of students participating in the program will improve their reading performance, as indicated by appropriate universal screeners.	<b>Not Assessed</b>
Objective 1.2: 60% of students participating in the program will improve their mathematics performance, as indicated by appropriate universal screeners.	<b>Not Assessed</b>
Objective 1.3: 65% of participants will demonstrate improvement in homework completion, as indicated by teacher surveys.	<b>Not Met</b>
Objective 2.1: 65% of students participating in the program will demonstrate improvement in classroom behavior, as indicated by teacher surveys.	<b>Met</b>
Objective 2.2: 65% of students participating in the program will demonstrate improvement in class attendance and participation, as indicated by teacher surveys.	<b>Met</b>
Objective 3.1: 50% of the parents/guardians will participate in two or more family literacy and education activities.	<b>Not Met</b>
Objective 3.2: 50% of the parents/guardians will demonstrate increased involvement and communication with the child's teacher and/or school staff by the end of the school year.	<b>Met</b>

### Objective 1.1: **Not Assessed**

60% of students participating in the program will improve their reading performance, as indicated by appropriate universal screeners.

**Universal Screener scores were not provided to program personnel prior to complete of the summative evaluation.**

### Objective 1.2: **Not Assessed**

60% of students participating in the program will improve their mathematics performance, as indicated by appropriate universal screeners.

**Universal Screener scores were not provided to program personnel prior to complete of the summative evaluation.**

Objective 1.3: **Not Met**

65% of participants will demonstrate improvement in homework completion, as indicated by teacher surveys.

**62% of students improved homework completion.**

Objective 2.1: **Met**

65% of students participating in the program will demonstrate improvement in classroom behavior, as indicated by teacher surveys.

**75% of students improved classroom behavior.**

Objective 2.2: **Met**

65% of students participating in the program will demonstrate improvement in class attendance and participation, as indicated by teacher surveys.

**73% of students improved class attendance and participation.**

Objective 3.1: **Not Met**

50% of the parents/guardians will participate in two or more family literacy and education activities.

**9% of parents participated in family literacy and education activities.**

Objective 3.2: **Met**

50% of the parents/guardians will demonstrate increased involvement and communication with the child's teacher and/or school staff by the end of the school year.

**88% of parents demonstrated increased involvement.**

### **Other Observations**

The Walters Club Success Academy at BGCL 21<sup>st</sup> Century includes a schedule of tutoring and enrichment activities that support student enthusiasm and participation. The program offered opportunities for participants to receive additional instruction in the areas of reading and mathematics, experience various arts activities, and develop friendships and

relationships in a welcoming and nurturing environment. Parents were offered several opportunities to participate in activities, which were designed to support their child is learning at home, parenting, technology use, etc.

#### Student Responses (87):

- 90% “Strongly Agree” or “Somewhat Agree” they like the program.
- 95% “Strongly Agree” or “Somewhat Agree” they have made new friends through the 21<sup>st</sup> Century Program.
- 76% “Strongly Agree” or “Somewhat Agree” they feel better about themselves as a result of their participation in the 21<sup>st</sup> Century Program.

The BGCL Youth Development Professionals (YDPs) are all dedicated, professional young people. They work diligently to assist participating children as they complete homework, listen to stories, dance, complete art projects, work on math and/or reading skills in classroom instructional settings, and experience technology. The YDP staff is composed of young women and men, trained college students and community members, who make each members experience safer and more fulfilling. The instructional staff works to remediate as well as enrich the reading and mathematics competency of the participants after teaching during the regular school day. The administrative staff works successfully with YDPs, certified staff, volunteers, and parents to monitor and maintain the program. They work with the community and volunteers to enrich the program and creatively implement strategies designed to boost the experience of the participating students and their families.

#### **Progress Toward Sustainability**

The BGCL 21<sup>st</sup> CCLC program has established partnerships with **8** entities during year two of this grant cycle. These partnerships have resulted in enrichment activities and programs, as well as financial support. When funding is no longer available, the Boys and Girls Clubs of Lanier will continue to collaborate with local organizations, as well as, pursue new grants and local funding to maintain the program. The advisory team will seek support from community faith-based organizations to provide volunteers and monetary support. Project design builds the capacity of the Boys and Girls Clubs of Lanier to continue the project at reduced cost in later

years as technology equipment, software, manipulatives, remediation workbooks, and other resources are in place while staff development is spread across most of the teaching staff. However, without the opportunity of the Nita M. Lowey 21<sup>st</sup> CCLC grant, the program would be minimized in its service to students and the community.

### **Overall Recommendations**

The 2020-2021 implementation of the BGCL Walters Club Success Academy program has been beneficial to many students and parents. Program staff worked diligently to ensure student success. Progress has been made by meeting the grant requirements (participation, hours per week and weeks per year, quality staff, and student-staff ratio).

In order to successfully continue with future programs, the following recommendations should be considered.

- Monitor classroom implementation with rubric-based instruments and provide quarterly feedback for more focused and data-based recommendations.
- Provide participating students with more variety in enrichment opportunities.
- Finalize a plan for hybrid program operation to ensure a seamless transition when necessary, to avoid any delay in services.
- Offer additional, more frequent opportunities for literacy-based parent engagement.

Respectfully submitted,  
Michael Bush
