## **Overview and History**

The Fair Street Success Academy of the Boys and Girls Clubs of Lanier (BGCL) 21<sup>st</sup> Century program is held in Gainesville, Georgia at the Fair Street Elementary School campus. The current program began through a Georgia Department of Education grant awarded in 2019. It targets K-5 students at Fair Street Elementary School through an after-school program of extended academic instruction and original activities designed to enhance and enrich participation and learning. Program goals and objectives focus on student achievement improvement in the areas of English language arts and mathematics, homework completion, student behavior, student attendance, enrichment, and family involvement. Certified and/or trained personnel that complemented the traditional school activities and allowed for academic and personal growth delivered academic and enrichment instruction. Reading and mathematics instruction occurs through the creative implementation of instruction by Georgia-certified teachers supplemented with the instructional support of resources such as technology-based software. Enrichment activities during the program included Culinary Arts, STEAM, Fit Frenzy, and yoga.

The program targets a predominately Hispanic population with a large percentage of English language learners. Jacqueline Gonzalez serves as the program director, Kelsey Cole is the site coordinator, Jamisha Willock is the lead teacher, and Daniela Briscoe is the data specialist. The program is also supported by K-5 grade level Georgia-certified teachers, BGCL Youth Development Professionals (YDPs), and community volunteers.

## **Student Attendance and Enrollment**

The Fair Street Success Academy of the Boys and Girls Clubs of Lanier 21<sup>st</sup> Century Community Learning Center Program registered 119 students during 2023-2024. Of those 119 students, 81 were considered regular attendees as a result of attending 30 or more days. The average daily attendance on site was 59 students per day. The average daily attendance of all students enrolled was 68%. The average daily attendance of regular attendees was 73%. Student attendance and enrollment data are summarized in Table A.

**Table A. Student Attendance and Enrollment**

<b>Participant Attendance and Enrollment*</b>				
<b># of Students Enrolled</b>	<b># of Regular Attendees</b>	<b>Average Daily Attendance</b>	<b>Daily Attendance % of Students Enrolled</b>	<b>Daily Attendance % of Regular Attendees</b>
119	81	59	68	73

*\*Data collected from TransACT Reports*

Table B describes the demographics of the students attending at least one day. These students were composed of 47 males, 43 females, 49 Hispanic, 28 Black students, 4 white students, 9 other race students, 2 English language learners, 2 students with disabilities, and 89 economically disadvantaged students.

**Table B. Registered Student Demographics (attending at least 1 day)**

Participant Demographics					
Gender		Ethnicity	EL	SWD	Econ Disadv
Male	Female	Hispanic/Black/White/Other			
47	43	49/28/4/9	2	2	89

### **Program Operation**

The Fair Street Success Academy began the after-school program August 8, 2023 and ended it for the 2023-2024 school year on May 22, 2024. The after-school program began at 2:30 p.m. and ended at 5:30 p.m. Monday through Friday each week. The program was composed of an after school nutritional snack time, homework assistance, mathematics and reading extended learning, and enrichment activities including culinary arts, STEAM, Fit Frenzy, and yoga. The 21<sup>st</sup> Century Program included the parent/guardian component that provided for parent literacy/education activities and family involvement/enrichment activities (36 participants, 61 households). Table C describes the service time for the 2023-2024 program.

<b>Student Participant Program Operation</b>					
<b>Days Per Week</b>	<b>Total Weeks</b>	<b>Total Days</b>	<b>Hours Per Day</b>	<b>Hours per Week</b>	<b>Total Hours</b>
5	36	178	3	15	534

## Quality of Staffing

The Fair Street Success Academy employed a total of 20 staff members that included 11 school-day teachers, 3 center administrator, and 6 youth development professionals. Of the staff members, all content instructional personnel were certified by the Georgia Professional Standards Commission. The student-to-staff (school-day teachers plus youth development professionals) ratio among regularly attending students was 4.26:1, satisfying the guideline requirements.

The Fair Street of BGCL 21<sup>st</sup> CCLC leadership staff includes Jacqueline Gonzalez, Program Director; Kelsey Cole, Site Coordinator; Daniela Briscoe, Data Specialist; and Jamisha Willock, Lead Teacher. Ms. Willock is a Georgia teacher certified through the Professional Standards Commission (PSC). Leadership supported staff performance through the identification of instructional needs, defining targeted interventions, and implementing appropriate professional learning opportunities. Many professional learning opportunities were offered throughout the school year. Fair Street BGCL staff participated in regular weekly meetings to discuss issues, concerns, plans, procedures, policies, and professional development needs as they arose. Additionally, contracted tutors/enrichment providers met monthly for the same purpose. Table D describes professional learning provided for all staff.

## Objective Assessment

Objective assessment occurred through a variety of analyses as defined by the 21<sup>st</sup> Century grant application and amendments throughout the three-year program. For the 2023-2024 school year, the objectives were organized around 3 program goals:

Goal 1: Success Academy students will improve their academic performances.

Goal 2: Success Academy students will improve their classroom behavior.

Goal 3: Success Academy parents/guardians will increase involvement in literacy improvement services and participation in students' educational process.

A summary table, E, provides a quick review of annual progress on the program's defined goals and associated objectives with a descriptive analysis following.

## Objective Assessment Summary Table

**Table E. Regularly Attending Students – Objective Assessment**

Objective Assessment	
Objective	Status
Goal 1, Objective 1: 60% of regularly participating students (attending the program 30 days or more) will improve their ELA/reading performance.	Met
Goal 1, Objective 2: 60% of regularly participating students (attending the program 30 days or more) will improve their mathematics performance.	Met
Goal 1, Objective 3: 65% of regularly participating students (attending the program 30 days or more) will demonstrate improvement in homework completion.	Met
Goal 2, Objective 1: 65% of regularly participating students (attending the program 30 days or more) will demonstrate improvement in behavior.	Not Measured
Goal 2, Objective 2: 65% of regularly participating students (attending the program 30 days or more) will demonstrate improvement in class attendance and participation.	Met
Goal 3, Objective 1: 50% of the parents/guardians will participate in two or more family literacy and education activities.	Not Met
Goal 3, Objective 2: 50% of parents/guardians will demonstrate increased involvement and communication with their child's teacher and/or school staff by the end of the school year.	Met

Goal 1, Objective 1: **Met**

60% of regularly participating students (attending the program 30 days or more) will improve their ELA/reading performance.

**69% (+9% of goal) of students demonstrated improvement in language arts performance**

Goal 1, Objective 2: **Met**

60% of regularly participating students (attending the program 30 days or more) will improve their mathematics performance.

**73% (+13% of goal) of students demonstrated improvement in mathematics performance**

Goal 1, Objective 3: **Met**

65% of regularly participating students (attending the program 30 days or more) will demonstrate improvement in homework completion.

**83% (+18% of goal) of students demonstrated improvement in homework completion.**

Goal 2, Objective 1: **Not Measured**

65% of regularly participating students (attending the program 30 days or more) will demonstrate improvement in behavior.

**Member progress in classroom behavior was not included in the teacher survey for the 2023-2024 school year, and therefore was not measured.**

Goal 2, Objective 2: **Met**

65% of regularly participating students (attending the program 30 days or more) will demonstrate improvement in class attendance and participation.

**78% (+13% of goal) of students demonstrated improvement in class attendance and participation.**

Goal 3, Objective 1: **Not Met**

50% of the parents/guardians will participate in two or more family literacy and education activities.

**39% (-11% of goal) of parents/guardians participated in family literacy and education activities.**

### Goal 3, Objective 2: **Met**

50% of parents/guardians will demonstrate increased involvement and communication with their child's teacher and/or school staff by the end of the school year.

**56% (+6% of goal) of parents/guardians demonstrated an increased involvement and communication with their child's teacher and/or staff by the end of the school year.**

### **Other Observations**

The Fair Street Success Academy at BGCL 21<sup>st</sup> Century includes a schedule of tutoring and enrichment activities that support student enthusiasm and participation. The program offered opportunities for participants to receive additional instruction in the areas of reading and mathematics; experience culinary arts, STEAM, Fit Frenzy, and yoga all while developing friendships and relationships in a welcoming and nurturing environment. Parents were offered a multitude of opportunities to participate, as well. Parents were greatly supported in family literacy and family/school engagement activities.

The BGCL Youth Development Professionals (YDPs) are all dedicated, professional young people. They work diligently to assist participating children as they complete homework, listen to stories, dance, complete art projects, work on math and/or reading skills in classroom instructional settings, and experience technology. The YDP staff is composed of young women and men who make the child's experience safer and more fulfilling. The instructional staff works to remediate as well as enrich the reading and mathematics competency of the participants after teaching during the regular school day. The administrative staff works successfully with YDPs, certified staff, volunteers, and parents to monitor and maintain the program. They work with the community and volunteers to enrich the program and creatively implement strategies designed to boost the experience of the participating students and their families.

### **Progress Toward Sustainability**

The BCGL 21<sup>st</sup> CCLC program continues to work on establishing community partnerships that will produce contributions to the program. When funding is no longer available, the Boys and Girls Clubs of Lanier will continue to partner with local organizations, as well as, pursue new grants and local funding to maintain the program. The advisory team will seek support from community faith-based organizations to provide volunteers and monetary support. Project design builds the capacity of the Boys and Girls Clubs of Lanier to continue the project at reduced cost

in later years as technology equipment, software, manipulatives, remediation workbooks, and other resources are in place while staff development is spread across most of the teaching staff. However, without the opportunity of the 21<sup>st</sup> CCLC grant, the program would be minimized in its service to students and the community.

### **Overall Recommendations**

The 2023-2024 implementation of the BGCL 21<sup>st</sup> CCLC program has been beneficial to many students and parents. Program staff worked diligently to ensure student success. Progress has been made by meeting the grant requirements (participation, hours per week and weeks per year, quality staff, student-staff ratio). During the monthly visits and in conversation with students the External Evaluator was able to hear students comment on the benefits of their participation in the Fair Street 21<sup>st</sup> Century Community Learning Center. Students offered statements such as, “I come to the Boys and Girls Club because my Mom works late, so I don’t have to stay by myself” and “We have fun and learn, and do our homework so we don’t have to do it at night.” These statements show the importance of the academic focus, safety, and relationships formed among students and program staff. These relationships built with caring adults contribute to student success, confidence, and safety both at the BGCL site and in the community.

In order to successfully continue with future programs, the following recommendations should be considered.

- Staff training on proactive and prevention practices (particularly for transitions and undesirable behaviors) and student engagement strategies that will help students invest in the time they are with the tutors and YDPs.
- As a result of significant staff turnover during the school year, ensure site leadership is trained and aware of 21<sup>st</sup> Century Community Learning Centers goals and objectives.
- If practical, add specific supports for identified special education students who are program participants.

The evaluator thanks Ms. Jacqueline Gonzalez, program director, and her staff for allowing unfettered access to the BGCL sites and program activities allowing for a comprehensive view of the program for the evaluation process.

Respectfully submitted,

Jason D. Kaup, PhD  
External Evaluator
